Word from the Admin Team

This month is a big month for our NHW. We are hosting our bi-annual fundraising braai! We want this event to be as successful as our previous fundraisers.

This spectacular event is going to be held on Saturday, 19th November, at our usual spot – the car park of the Baines Shopping Centre. Events like these are organised twice a year to help raise funds for our neighbourhood to increase safety measures for our community. We are appealing to all community members to help make this day a huge success.

We are requesting any financial contributions, either via EFT or cash to cover the meat costs for the day. I am available to collect any funding if it is difficult for you get to me.

I want to also take this opportunity to thank our members, who have already contributed. Without your help and support our NEIGHBOURHOOD WATCH would not be what it is!! I am a truly proud member of PPNHW.

Regards

Jenny Neveling

Fundraising

PPNHW is preparing a raffle, which has proven to be a very successful fundraiser for many organisations.

The most difficult task we face is soliciting prizes. We are appealing to you, the Pioneerspark community, to help us in whatever way possible. If you are in a position to donate a prize or are able to solicit a prize from people / companies you may know, we would greatly appreciate it!

We would like to collect as many prizes as possible by **20 November 2016**. Thereafter we will have the raffle tickets printed and finally community members can collect booklets of tickets to sell.

The date for the draw will be our bi-annual braai which will be held on **4 March 2017**.

If you are able to support our raffle in any way possible please contact Jennifer Neveling either by phone or e-mail (081 214 3114 / spicerjennifer3@yahoo.com) before the above-mentioned date.

Please also look out for our e-mail regarding the Raffle 2016/2017 Fundraiser.

Thank you for your support and commitment.

Safety Tips

DETECTIVE MYSTERY

Answer to the detective mystery 2 of the October
Newsletter:

Harry Potter, like all other books, has odd-numbered pages on the right. Therefore, pages 15 and 16 are the front and back of a single page, and nothing could have been found between them.

Detective Mystery 3

Detective Hercule Poirot was in his house watching the football world cup match.

Suddenly a football came crashing through his window, breaking it. He got up and looked out the window just in time to see three neighbourhood kids, who were brothers, run around a corner. Their names were Mark Benson, Steve Benson and Starc Benson. The next day Hercule got a note on his door that read "'Benson' broke your window."

Which one of the three Crimson Bensons should Hercule Poirot question about the incident?

Answer will be published in the next Newsletter

Crime ALERT

**DON'T BE A VICTIM OF CRIME!
STAY ALERT!**

It only takes a minute for your car to be broken into and your items to be stolen. Take a minute to remove your items from plain view when parking. Cars break-ins cost victims time, money and increases insurance premiums.

Theft out of motor vehicle is a crime of opportunity resulting from valuable items left visible in the car. Commonly used methods are smashing of car windows and car jamming (the use of gate remote to interfere with car remote locking systems). Always make sure your doors and windows are locked after using the remote control.
