Pioneerspark Neighbourhood Watch

Newsletter September, 2017

Fundraising Edition

Thank You For Your Support!

We would like to take this opportunity to thank each and everyone for the generous contributions received over the last few months and everyone who helped us on the day of our fundraising. Without your commitment and support we cannot be a successful neighbourhood watch.

We would also like to give special thanks to our sponsors for the raffle prizes, as well as those who sponsored us on the day of the fundraising. Without your sponsorship we would not have been able to achieve our target of selling out all 350 raffle books.

Thank you also to our staff members who worked very hard on this day to make it a huge success. These members have been at the venue from 05h30 that morning and worked endlessly until everything was packed up and removed by 18h00.

We would like to share the following figures with you:

- Raffle ticket sales (N \$ 140,000.00)
- 2017 Braai event (N \$ 53,361.00)
- Meat Sales (N \$ 25,740.00)

Total income (N \$ 219,101.00)

All proceeds of the fundraising event will go towards putting up more cameras in our neighbourhood, the maintenance of the older cameras as well as debushing and fencing off projects in our riverbeds.

With warm regards,

PPNHW Committee

Donations will be used for: Fuel for patrol vehicles, maintenance of CCTV cameras, admin, neighbourhood watch signs, awareness, etc.

(An additional Police form for Patrollers should be completed and must be printed in colour - Sent on request only)

TIPS TO BE SAFE

Being a responsible driver is not just about the ability to control a car and having good reflexes but about attitude and being able to spot and understand dangers on the road. Your safety is your responsibility, therefore take extra caution and be vigilant when driving.

STAY SAFE ON THE ROAD

Plan your journey well in advance and allow yourself time to take short breaks when driving long distances to avoid driver fatigue.

Ensure the vehicle is in a roadworthy condition and do a pre-trip inspection. All lights and indicators, windscreen wipers, brakes, steering, exhaust system and tyres should be carefully examined for faults. Do not overload your vehicle.

Do not drink and drive. If you intend to consume alcohol make alternative arrangements so you will not be behind the wheel.

Ensure that you and everyone in the car is wearing a seatbelt. Seat belts help prevent severe injuries in case of a crash.

Guard against distractions while driving. Do not use your cell phone – it is illegal and extremely dangerous. Set all devices, mirrors and controls prior to driving.

Obey the speed limit and maintain at least a three second following distance. This distance should be increased at night, in foggy or rainy conditions and when the road is wet.

If a breakdown occurs, never get out of a vehicle to make a repair on a busy road. Turn hazard lights on and get the vehicle to a safe place before getting out.

Following these driving safety tips may make your journey all the more pleasant and give you and your loved ones peace of mind knowing that you are safer on the road. And remember, when you need help, all the insurance solutions you need are only a call away.
