Namibia National Clean-Up Day

Namibia launched their National Clean-up Initiative on 25 May in which people from all over the country took part. PPNHW was not an exception and residents have been invited to participate in this initiative. The local counselor and members from the NDF also took part and helped to clean Pioneerspark.

Thank you to all the residents, big and small, that took part in cleaning our neighbourhood. We do however encourage everyone to keep Pioneerspark clean at all times.

Know Your Patrollers: Wilfried Hähner

Wilfried was born in Windhoek 45 years ago on the 10th of August. He attended Delta Primary and secondary Schools in Windhoek and have spent most of his life here in the capital of Namibia. "Something I don't regret".

As his parents has bought their house in Jordan street Pioneerspark, about 48 years ago, Pioneerspark will always have a special place in his heart . "I even stay here myself now. Pioneerspark is an awesome and peaceful suburb". Wilfried stayed in Avis for a few years previously.

When not at work he enjoys reading, hiking, being in nature or travelling through our fascinating Namibia. Furthermore he likes photography and is eager to learn more about the countries and the Fauna & Flora of Africa. "What fascinates me as well are Astronomy, Geology and different traditions". In his spare time he's doing an online course with www.wildlifecampus.com. He even joined the gym at the beginning of March '18. "It's a positive way of working off stress and frustration". Laugh...

Wilfried is the Chief Executive Officer at Hitradio Namibia and most mornings he is up at 4h30. "Tune in to 99.5MHz!". Wilfried joined as patroller March 2018 and has completed 25 shifts. "I always wanted to assist the PPNHW". Up till now he has enjoyed every shift immensely. "Every shift has been special and it's a pleasure working with such a great and uncomplicated team. One shift standing out for me was when Nampol accompanied us one night and educated some of the residents about safety and vigilance". Wilfried strongly urge all residents to join and follow suit. He does not mind any specific patrol time. "I just manage my work, gym workouts and studying around that. Patrolling with Kornelia is 'lekker', she always takes sweets along".

"PPNHW plays an extremely important role in ensuring a safe & peaceful living environment. The statistics are a living proof of that!! Thanks to the leadership of Erik & Gerrit, all the dedicated members and patrollers, together with the close cooperation of Nampol & City Police. It's my wish that more Pioneersparkers will join as members or even as patrollers."

"Pioneerspark is just 'Herrlich!'".

Wilfried Hähner

Operation Red Alert - 26 May 2018

Operation Red Alert is a visibility and awareness project done in Pioneerspark by the patrollers. It is also a great event where the patrollers can meet and get to know each other. More importantly it is to make residents aware and have them join PPNHW.

What to do DURING a robbery:

STAY CALM. Do not make any sudden movements to upset the robber.

DON'T BE A HERO! Your life is worth more than your money!

Follow the robber's directions, do not volunteer more than he asks for.

Activate an alarm **ONLY** if you can do it secretly.

Tell the robber about anything that might surprise him.
Example: You are expecting company soon.

If you have to move, tell the robber what you are doing and why.

Try to get a good look at the robber so that you can describe him later. Make mental notes of race, age, sex, height, weight, hair and eye color, build and clothing. Note anything unusual about the robber, such as scars, tattoos, strange mannerisms or speech patterns.

Note the type, size and color of the weapon used.

Give the robber time to leave.

Note the direction of the robber when he leaves.

Try to get a description of the vehicle, **ONLY** if you can do so without putting yourself in harm's way.

TIPS TO BE SAFE

There are certain things which we all know we should do, but somehow between trips to the shops, transporting kids and important things on TV, we never quite get around to doing them. Take just one Saturday morning to make some changes that may help you sleep more soundly at night.

SAFETY IN THE HOME

Test your alarm system every six months and have your security company test the battery and back up battery annually.

Ensure you have security bars and gates installed – it is the most common home security measure.

Add some security lighting. Adding lights with sensors at strategic points on your property is a good crime deterrent. In particular, focus on areas around entrances such as your garage and front door.

Do some strategic gardening. If you have a small jungle growing around your property that intruders could

easily hide in, use as a climbing aid, or that obscures your view when pulling out onto the road, now is a good time to do some trimming. Particularly look at the front of your property at the main entrance.

Save important contact numbers in case of an emergency. Make sure you familiarise your family with an action plan, should an incident occur.

Get a fire blanket and extinguisher. As many household fires start in the kitchen, these are important tools for extinguishing a fire before it gets out of control. Fire extinguishers should be serviced once a year to ensure they are in working order.

Ticking off even just a few of the risk checks we've just explored will help you sleep more soundly tonight. And remember, when risks do become a reality, all the solutions you need are only a call away.
